

Year 11 GCSE Module Results - What do they mean?

Year 11 candidates have taken a GCSE module in a number of subjects.

The table below shows the notional grade boundaries for these units, but students should be aware that their actual GCSE grade will be determined by their combined performance in this module and their final GCSE modules next year.

On your results slip there will be a raw mark and a uniform mark (UMS) for each of the modules taken.

IGNORE THE RAW MARKS!!
