2024 Families First School of the Year for the Northern Region

CGS are Ulster Intermediate Cup Champions!

The 1st XI girls have done it! They dug deep against an extremely talented opposition, vs Cookstown HS, taking the game all the way to penalty run-ins and, under immense pressure, held their nerve to win. A special mention must go to Year 11 pupil Belle Moffatt, who stepped up in sudden death to score, and Bethany Wenlock, who made the crucial save in the opposing sudden death run in. Both showed outstanding composure at such a high pressure moment. But a full match report will follow! The weather was dreadful and the conditions were extremely tough, but the girls demonstrated remarkable resilience, determination, and team spirit throughout. *We are so proud of every single one of them.* (Photo Gallery on page 2)

FRUSPORTS

CGS are the Under 16 EASFA Cup Winners!

We are the champions!!! After a dominant first half which saw the Grammar take a 3-1 lead with an impressive Callum Tweedie hat trick the second half was a much tighter affair. Even though Tweedie struck again with another fantastic strike just after the break, Glengormley were in no mood for lying down... (cont'd on page 3)

After they scored two goals to bring the scoreline back to 4-3 to the Grammar, 15 very nerve wracking minutes ensued. However the Grammar boys dug in with the same grit and determination that brought them back from the brink of defeat in the semi final to hold onto their lead and bring back the first football trophy in over 10 years. Coach Mr Gorman would like to put on record how proud he is of the boys outstanding performance today and how they conducted themselves all through the tournament. He would also like to thank the Grammar staff and pupils who turned up in horrible weather to show their support. Finally, he would like to congratulate the girl's hockey team who also won their final today over at Stormont. A truly unbelievable and unprecedented day for the school in the sporting arena, and one that will no doubt go down in history.

Careers Convention for Year 12

#proud

Year 12 pupils from Carrickfergus Grammar School joined approximately 500 peers from across the Carrickfergus Learning Community (CLC) for the annual Careers Convention at the Amphitheatre recently. Supported by the Mid and East Antrim Borough Council and the Labour Market Partnership, the event allowed students to engage with a wide range of employers, universities, and training providers as they continue to map out their future career paths.

Senior Dance success!

Our CGS Senior Dance Team have retained their 1st place title, while our Junior Team also danced their way to 1st place! 🏆 Taking to the big stage with confidence, energy and precision, both teams delivered outstanding performances filled with powerful choreography, teamwork and passion. Every leap, turn and count reflected the hard work, commitment and determination they have shown during weeks of rehearsals.

To perform under pressure and achieve such success is a testament to their talent, resilience and love for dance. We are incredibly proud of every dancer who represented CGS today and truly lit up the stage.

A huge congratulations to our dancers and everyone involved in supporting them — an amazing achievement for CGS Dance!

In light of the school's recent curricular and academic achievements, we were pleased to host representatives from the Education Board in Flanders, Belgium. Staff who visited CGS had the opportunity visit classrooms, talk to staff and learn more about our approaches to learning and teaching.

International Visit

Dates for your diary
